FOREWORD

We, the Senior Class of 1951, proudly present this yearbook to you, hoping that it will be a lasting record of the activities of this school year.

We truly appreciate the wonderful cooperation of the student body and the help and the good advice of the faculty members in compiling this "LEAVES of '51."

DEDICATION

We, the Mt. Blanchard Senior Class of 1951, wishing to express our appreciation for his helpfulness through our high school career and our high regard for him, not only as a teacher, but as a person and friend, do dedicate this book to

LOOK AHEAD

What you'll be doing twenty years from today depends on what you do today.

Take advantage of today's opportunities and you're sure to move ahead. Put off doing anything about them and you chance being left behind.

J. E. Paynter

ARISE! ARISE!

Though the stars riot and the heavens fall
And the least wind provokes a gathering chill,
How can the living dead remain so still
When every morning is a bugle call.

Since the free spirit turns against despair
Arise! Arise! Summon all strength and skill.
Never accept the cowardly come-what-will;
We were not born to dally, but to dare.

Who can lie listlessly in ivory towers!
Are we not given courage to engage
The evil nightmare of unspeakable powers
And storm indifference with a joyful rage?
Armed with a purpose and this dream of ours,
Arise! Arise! Confront this challenging age.

AT THE CROSSROADS

You to the left and I to the right,
For the ways of men must sever--
And it well may be for a day and a night,
And it well may be forever.
But whether we meet or whether we part
(For our ways are past our knowing),
A pledge from the heart to its fellow heart
On the ways we all are going!
Here's luck!
For we know not where we are going.

* * * *

Whether we win or whether we lose
With the hands that life is dealing,
It is not we nor the ways we choose
But the fall of the cards that's sealing.
There's a fate in love and a fate in fight,
And the best of us all go under--
And whether we're wrong or whether we're right,
We win, sometimes, to our wonder.
Here's luck!
That we may not yet go under!

With a steady swing and an open brow
We have tramped the ways together,
But we're clasping hands at the crossroads now
In the Fiend's own night for weather;
And whether we bleed or whether we smile
In the leagues that lie before us
The ways of life are many a mile
And the dark of Fate is o'er us.
Here's luck!
And a cheer for the dark before us!

You to the left and I to the right,
For the ways of men must sever,
And it well may be for a day and a night
And it well may be forever!
But whether we live or whether we die
(For the end is past our knowing),
Here's two frank hearts and the open sky,
Be a fair or an ill wind blowing!
Here's luck!
In the teeth of all winds blowing.

VALEDICTORY

WE HAVE A WORK TO DO

Friends, Parents, Members of the School Board, Teachers:

Most valedictories given upon occasions like this are concerned about the lessons that have been learned in school and the hopes for the future. They are addressed to the public.

But tonight I dare to be different. I shall address my remarks to my classmates, who, along with me, are about to enter a much larger field of daring and competition than that in which we have been engaged.

Classmates, after graduation, some of our lessons may be forgotten, but the one lesson we must not forget is that we have a work to do. Whether we handle pick or wheelbarrow, write a great story, build a beautiful building, till the soil, or carry a gun with our soldiers in battle, we have a task to perform. We must realize that we are important. Maybe the jobs we shall choose will seem small and insignificant; but in the great plan of things, it is important that we do our part and do it well. The devotion we give, the excellence with which we perform our tasks will determine the world of tomorrow.

Have you ever noticed the triangle player in a band? He may stand and wait through nearly the whole musical performance; then, at the signal of the conductor, he strikes one true, clear note, climaxing and perfecting the entire composition. If he should strike his one clear note too soon, or a trifle too late, the perfect rendition of fifty or, perhaps, a hundred artists is spoiled and unsuccessful. Only a few of us can perform the great tasks and win the plaudits of the masses. But each, in his own way, is important; some must do the menial, unsung tasks. Nobody notices the little gear in the motor until it breaks and so stops all motion.

Don't be afraid of killing yourself by overdoing. Men die sometimes, but it is because they quit at five p. m. and don't go home until two a. m. It is the intervals that kill. Work gives you appetite for your meals; it lends solidity to your slumbers; it gives you a perfect appreciation of a holiday.

There are people who do not work, but our country is not proud of them. It doesn't even know their names; nobody likes

them; the great busy world doesn't know they exist. They are the flotsam the tide has cast upon the shore to rot and decay and be no more.

So, find out what you want to be and do. Then take off your coat and make dust in the world. The busier you are, the less harm you are apt to get into, the sweeter will be your sleep, the brighter the holidays, and the better satisfied the whole world will be with you.

"'Tis better to have tried in vain,
Sincerely striving for a goal,
Than to have lived upon the plain
An idle and timid soul.

"'Tis better to have fought and spent
Your courage, missing all applause
Than to have lived in smug content
And ne'er ventured for a cause.

"For he who tries and fails may be
The founder of a better day;
Tho' never his the victory,
From him shall others learn the way."

Nellie Ward

SALUTATORY

OUR STEPS TOWARD THE FUTURE

Mr. Superintendent, Members of the Board of Education, Parents, Teachers, and Friends. We, the class of 1951, heartily welcome you to our commencement, the last exercise which we, as a class, shall perform. We are very thankful for all that you have done for us, especially for the establishment of this great institution of learning wherein we have completed our first twelve steps of life.

These steps are but a few compared to the one's that we have yet to climb. To some of us they have been very difficult, and to many of us the footing has been uncertain; but as a group, and not as individuals, we have mastered the height of the first landing.

We have spent many pleasant days together. Of these we may say without regret, they were worth while; around them the fondest memories will ever cling. We are leaving this dear school-life to enter upon the threshold of life's school of ups and downs. This night we owe to you, our mothers and fathers, for without you we could not have begun the steps that lead to the topmost round of success.

It is you, who have sacrificed an untold amount of labor, time, and dollars, gladly contributed to put us where we are, ready to step forward into another phase of life. We feel that you realize we cannot all be presidents of the United States, but we know if we shall be loyal, true, and honest citizens to our community and to the flag and for what it stands, you will be satisfied with us. We want to express our gratitude and full appreciation to you who have sacrificed so generously for us in preparing us to meet squarely, the world which we graduates must face. You have never faltered or failed to give of your sympathy and understanding in any of our life problems. We are going to strive to be the kind of persons for which this world has great need. We desire to reveal to you that, even though this is our graduation, it is the beginning, not the ending.

We are, likewise, indebted to our teachers who have been our guideposts throughout our school life days. They have taught us practical lessons and have begun the development of our knowledge, power, and judgment, morally, phsyically, and spiritually. They have also explained the principles of teamwork, sportsmanship, and cooperation. Yes, we are indeed grateful for what they have taught us.

It is true that we have finished our education in this school. After leaving here, there may be some who will remain forever on the first landing; while others will continue to climb higher

landings. Some of our fellow classmates may enter into the professional or the business field, but there are those who will offer their lives to serve and protect our country during the present crisis.

As we look into the future, we are all asking ourselves "How can the question of world peace be solved?" We all know that there have been many treaties, pacts, and alliances the provisions of which were for universal happiness and that for each of the many treaties that have failed there are tens of thousands of white crosses as mute evidence of their failure. Everyone can take part in these treaties instead of just sitting back and seeing their future shaped into white crosses by false and empty promises. If there is to be peace, people must be on a constant guard against betrayal by their leaders or representatives. Now, as never before, we must dedicate ourselves to liberty, liberty not only for ourselves and our countrymen, but for men everywhere in the world. To accomplish this task before us each one must do his part.

"It may be little that I can do,
Nor may I have much to say;
But in that little I mean to be true,
And do what I can today.

"In vain no service that love may give,
No matter how small it be;
In God's remembrance it ever shall live
To shine in eternity.

"From the depths of my heart I will do my part
With a ready and willing hand;
And I will not shirk, I will faithfully work
In the place that my Lord hath planned."

Rosemary Trautwein

CLASS HISTORY

On September 5, 1939, a group of thirty-five youngsters journeyed away from home to the first grade at the Mt. Blanchard School. Of this group, fourteen of us are now graduating together from Mt. Blanchard High School. We are: John Beck, Bob Betts, Charles Fenstermaker, Mary Nell Himes, Doris Krout, Jane Lauck, Jim Morehart, Mary Lou Rose, Colene Smith, Rosemary Trautwein, Helen Trout, Neil and Nellie Ward, and Eleanor Yantis.

After our first lessons, which took us six years to learn, we moved on toward that great institution of learning, High School. In the fall of 1947, twenty-four of us started the last four years of our education at Mt. Blanchard.

In the first meeting of the class, we elected Jim Morehart, president; Junior Price, vice president; and Nellie Ward, secretary-treasurer.

After many months of tension and waiting, we were finally initiated on February 6, 1948. In the evening we were honored by the upperclassmen at a party given by them. After this, we felt as if we were full-fledged high school students.

At the end of our vacation, we again gathered together to enter our second year in high school. When the roll was called, four new members appeared: Stanley England, Jim Crilly, Bill Green, and Charles Fields. At our election, Junior Price was chosen as our chief executive; Neil Ward, as second in line; and Johnny Waltermire was elected the secretary-treasurer.

In the spring of this year twelve of us were honored by being chosen to serve at the Junior-Senior banquet.

As the class of '51, we arrived on September 6, 1949, to start on our junior year. For our officers we elected Jim Morehart, president; Rosemary Trautwein, secretary; and Nellie Ward, treasurer.

Just before the Christmas vacation, we presented our play, "The Funny Fullers." We enjoyed giving it very much and presented it in good form.

During the year we selected and received our class rings. We were honored by a reception, given in our honor by the senior class of 1950. Four members, Colene Smith, Rosemary Trautwein, Nellie Ward, and Jim Morehart, were elected to the National Honor Society.

In the spring we gave a banquet in honor of the seniors, using Hawaii as our theme.

At the beginning of the present year we found ourselves in rows seven and eight in the now old study hall. We could now look back and see ourselves as freshmen when we dreamed of the days when we would be seniors. The time had passed more quickly then we had thought it would.

For our last year we again elected Jim Morehart as chief executive, David Gatchell as vice president; and Mary Nell Himes as our secretary. Junior Price was elected to handle our financial obligations.

Our class held a reception for the juniors, and this spring they honored us with a very fine banquet.

On April 26 and 27, we took great pride in giving our senior class play, "The Perfect Idiot."

As we are about to take leave of our dear old school, we wish to express our appreciation to Mr. Paynter and the other members of the faculty for helping us through our twelve years at Mt. Blanchard School.

CLASS PROPHECY

The late afternoon sun was streaming in the window when I wearily began to gather up the odds and ends on my desk and prepare to quit for the day.

For me, as society editor of the "New York News," that meant checking over my notes for the late edition and glancing over any items which might have been laid on my desk by the press agents.

One of these last items proved of great interest to me. It was a note to the effect that Neil Ward, the great actor and playwright, was in New York. My mind went back some twenty-five years to my school days in Mt. Blanchard High where Mr. Ward had been my classmate. Would he remember me? I was intrigued by the idea and impetuously decided to try to get an interview with him to see.

I was very pleased when Mr. Ward's secretary made an appointment for me for the next afternoon, and it was equally pleasant to be recognized and welcomed as a friend.

We had a delightful visit, and the most enjoyable part was talking about what had happened to the rest of our classmates.

As society editor, I had heard of some, and as Neil traveled extensively he knew about others. We finally accounted for each one and decided to make a memorandum of our findings and send it to our friend and former English teacher, Miss Nesbaum, who was always interested in our adventures in the wide, wide world. Following is the report we made and signed:

Miss Nesbaum, this is the record of what has become of the students to whom you taught English some twenty-five years ago:

John Beck is radio man on a rocket ship making regular trips to Mars. Bob Beckman is a muscle building expert and is in partnership with Bob Betts, who writes books on the subject of "Health by Exercise."

Herb Stuard finally came into his own as he has a dance band known as the "Banjoleers." Jr. Price is now engaged in extensive experiments in electronics. Jim Morehart is a lawyer of note in Philadelphia and is known for his prolonged arguments.

David Gatchell is currently singing the title roll in the opera, "Beettle Baum," the latest composition of the outstanding composer, Nellie Ward. Charles Fenstermaker is a farmer and is now trying to produce strawberries on bushes for easier picking.

Eldon Knight took a trip to Alaska and liked it so well he is now a great fur trapper. Stanley England is an evangelist and is so busy he has been forced to hire a secretary, Jim Crilly, the former tight-rope walker for the "Roly Poly Circus."

Rosemary Trautwein is a dress designer in Paris and one of her duties is to see that the service to particular customers is above reproach. One of her best customers is Mary Lou Rose, who married a multi-millionaire.

Helen Iams is a captain in the Women's Army Corp. and when we last talked to her, she was planning to live with Mary Nell Himes, a missionary in India, when she retires.

Pat Buess is a taxicab driver in Los Angeles, and Doris Krout is very busy as assistant manager for Willson Dime Stores. Helen Trout is the secretary and treasurer of the American Motorcycle Association located in Columbus, Ohio.

Eleanor Yantis is a midget auto racer and has as her mechanic and helper Jane Lauck. Colene Smith is editor of a column of advice to girls.

We hope, Miss Nesbaum, that this report of the fortunes of your former students will be pleasing to you and that we shall ever remain your star students!---

CLASS WILL

We, the senior class of the Mt. Blanchard High School, inthe city of Mt. Blanchard, township of Delaware, county of Hancock, state of Ohio, being of sound mind and memory, do hereby, in the year of our Lord nineteen hundred and fifty-one, make, publish, and declare this to be our last will and testament, hereby revoking any will or wills heretofore made by us.

Item I To the members of thedistrict, we leave the new gymnasium for the good of the whole community.

Item II To the faculty, the class of 1951 leaves the hope for future classes as studious and well-behaved as it has been.

Item III To the underclassmen, the class of 1951 wills the right to raise the ire of their teachers.

Item IV To the shop and agriculture boys, we bequeath the right to buy rolls from the Renz Bread Company during schoolhours.

Item V To posterity, we leave all names and initials written or carved in the books and on the desks with the condition that they must be treated with the respect due such good scholars.

Item VI To Mr. Paynter, we leave more students whose answer will be "I don't know."

Item VII To Mr. Blazer, we leave the task of awakening students during study hall.

Item VIII To Mrs. Curtis, we will another class which will be as willing as ours to let her lead them in their newspaper and annual work.

Item IX To Mrs. Edie, we will a girls' gym class as eager as ours to attend class.

Item X To Miss Nesbaum, we bequeath the jobof directing at least two plays each semester.

Item XI To Mrs. Stewart, we will a group of girls who will complete the cafeteria work efficiently.

Item XII To Mr. Hilty, we bequeath a secret passage from the shop loft to the ground floor.

Item XIII To Mrs. Payne, we will another class as musically inclined as ours.

Item XIV To Mr. Fuchs, we will a study hall with more corners.

Item XV To the juniors, we bequeath the ringside seats, from which to view all playground activities.

Item XVI To the sophomores, we bequeath the foresight to know which American history questions Mr. Fuchs thinks are important.

Item XVII To the freshmen, we leave three years of striving for a diploma. We hope that they will enjoy those years as much as we have enjoyed ours.

Item XVIII To Wayne Bishop, Neil Ward and John Beck will their love for Fords.

Item XIX To Leland Hendricks, Bob Beckman bequeaths his excess height.

Item XX To Jim Crawford, Bob Betts wills his muscles.

Item XXI To Helen Howard, Patricia Buess leaves her musical talent.

BE TRUE

Thou must be true thyself
If thou the truth wouldst teach;
Thy soul must overflow, if thou
Another's soul wouldst reach!
It needs the overflow of heart
To give the lips full speech.

Think truly, and thy thoughts
Shall the world's famine feed;
Speak truly, and each word of thine
Shall be a fruitful seed;
Live truly, and thy life shall be
A great and noble creed.

UNDERCLASSES

JUNIOR CLASS HISTORY

In September of 1951 we Juniors entered our third year of high school with high spirits. Leland Hendricks, from Vanlue, and John Wolford, from Arlington, joined our class; and Barbara Greene moved, leaving us with a total of twenty members.

We elected our class officers as follows: president, Rachel Himes; vice president, Leland Hendricks; secretary, Foster Cole; treasurer, Paul Van Buren; reporter, Charles Nique; student council members, Eleanor Feller and Jim Crawford.

A large number of our class participated in extra-curricular activities, such as band, choir, F. H. A., F. F. A., football, and basketball. Jo Morehart, pianist, Doris Pever, Charlene Loader, Carol Stauffer, and Eleanor Feller were in the girls' ensemble.

We are very happy to say that our stand was successful because of the cooperation of the entire class under the leadership of our stand chairman, Eleanor Feller, and her assistants, Pat Hindall, and Charles Nique.

Doris Pever and Carol Stauffer received State Homemakers degrees at Columbus this year.

Eleanor Feller and Jo Morehart received one ratings at the District Musical Contest at Lima. Eleanor Feller gets to go to the State Contest at Ohio Wesleyan.

We ordered our class rings in October and most of the class received them on January 2.

We gave our class play, "The Baby Sitter," on March 27. The cast was as follows:

Bob - - - - - who breaks a date - - - - Paul Van Buren
Mother - - who makes him break the date - Patsy Hindall
Father - - who agrees with Mother - - - Delbert Dunbar
Junior - - - - - a holy terror - - - - Leland Hendricks
Jane - - - - - - - Bob's sisters - - - - Charlene Loader
Helen - - - - - - - Bob's sisters - - - - Eleanor Feller
Carrie - - - - - Bob's one and only - - - - - Pat Helms
Eunice - who tries to take Carrie's place - Doris Pever
Carl - - - - - Helen's boyfriend - - - - - Wayne Bishop
Lefty - - - - - another holy terror - - - - Jo Morehart
Midge - - - who raid the icebox - - - - Carol Stauffer
Dot - - - who raid the icebox - - - - Rachel Himes
Mr. Gordon - - - - Junior's parents - - - Foster Cole
Mrs. Gordon - - - - Junior's parents - - - Barbara Oman

The stage managers for the play were Jim Crawford, Charles Nique, Jim Switzer, and John Wolford.

We enjoyed the reception at which the Seniors honored us, and we sincerely hope that they will enjoy our banquet.

We are all looking forward to our last year in school and hope to continue as successfully as we have in the past.

SOPHOMORE CLASS HISTORY

In September 1950 twenty-seven sophomores entered their second year in high school. At the beginning we welcomed Clyde Hendricks to our class from Vanlue and later Marlene Monday from Findlay.

We lost two classmates during the year: Karl Fields, who moved to Carey; and Janet Betts who moved to Attica.

Our class elected the following officers for the year: president, Dale Snook; vice president, Joan Crawford; secretary-treasurer, Jean Brown; reporter, DeWayne Fields; and Student Council representative, Jean Price.

Eight boys represented our class in football and eleven in basketball. Jim McDaniel was football manager. Jean Brown, Joan Crawford, and Jean Price were cheerleaders for the year. Janet Betts was chosen attendant for the queen at the homecoming game. Fourteen members of our class took part in the high school choir and four played in the band. In addition three of our girls performed as majorettes.

We are looking forward to our last two years of high school and hope to continue our success.

FRESHMAN CLASS HISTORY

The freshman class started the school year with twenty-eight pupils, fifteen girls and thirteen boys. We are ending the year with twenty-six, fourteen girls and twelve boys.

At our first class meeting we elected the following officers: president, Shirley Trautwein; vice president, Gerald Wilcox; secretary-treasurer, Audrey Wilson; reporter, Betty Bateson; Student Council representative, Marilyn Snyder.

A number of our class participated in band, choir, football, basketball, F. F. A., and F. H. A. Shirley Trautwein was elected attendant to the homecoming queen.

We wish the seniors good luck after leaving school. We hope each one makes a success in his choosen field.

EIGHTH GRADE HISTORY

We, the eighth grade, started our school year with an enrollment of thirty-three, Donnie and Vonnie Caudill having joined us the first day. Later, however, Jim Woodward, Robert Fink, Ralph Freck, and Martha Green left us to go to other schools. The second semester we were happy to welcome Joe Gorsuch from Kirby. This left us with an enrollment of thirty-one.

At the beginning of the year we elected the following officers: president, Jim Woodward; vice president, Lynn Cole; secretary-treasurer, Esther Essinger; and reporter, Betty Alge.

We have studied the four subjects that all students need to finish the eighth grade. These are history, science, arithmetic and the one subject which is necessary for all of us, good English.

Nine in our grade play in the school band, and several others are taking lessons on instruments.

During the year we contributed to the March of Dimes and the Junior Red Cross.

The eighth grade class of 1951 wishes the "Seniors" a very happy and prosperous future.

SEVENTH GRADE HISTORY

My, how quickly the time has passed! It seems only a little while since twenty-seven seventh graders marched upstairs to the top floor of the Mt. Blanchard School. We were rather curious, wondering how our first year in junior high school was going to work out.

In October we chose the following class officers: David Hilty, president; Lowanda Price, vice president; Barbara Hinebaugh, secretary-treasurer; and Hope Stauffer, class reporter.

The boys of the seventh and eighth grades played several games of football and basketball this year. At the Junior High Tournament, we matched our playing abilities with Cory-Rawson. Vivian Crawford, Betty Alge, Hope Stauffer, and Barbara Hinebaugh were our cheerleaders.

Twenty-five of us have nearly completed our seventh year; so move on, eighth graders! We are anxious to move across the hall and become eighth graders when that bell rings again next September.

SIXTH GRADE HISTORY

We began the school year, September 5, 1950, with twenty-three girls and nineteen boys.

It took us almost a month to become adjusted to school again after the summer vacation. We also found that the sixth grade work was a little harder than the fifth.

As time went on we lost some members: William Gault, Raymond Stahl, Dick Fink, Jerry Woodward, and Frances Rizor. We still have thirty-seven pupils in our grade and look forward to ending the school year with this number.

We'll remember the sixth grade. The "old-fashioned" winter with the cold and the snow, the geography and the history, which we found most troublesome, these are the things that we shall not soon forget.

FIFTH GRADE HISTORY

In September, 1950, thirty happy boys and girls scampered into the fifth-grade room. Anna Belle Ankrum soon joined the group; but during the year we lost Ann Fink, Donald Rizor, Kay Fields, and Virginia Green.

We were well represented in the Christmas program and the beginners' instrumental class, both of which were directed by Mrs. Payne. We also gave an assembly program with the first and third grades.

Throughout the year we enjoyed several parties with the usual foods and games.

Now we are looking ahead to the sixth grade--our last year downstairs.

FOURTH GRADE HISTORY

As the September days began last fall, our thoughts turned to school; and early one morning forty-two fourth graders found their way to their room. What a roomful! But we now have forty-four in our class.

We have found that there were many new things to be learned, and it is our guess that we'll find many new things another year. Most of us found our new subjects, history, science, and geography, very interesting.

We have enjoyed some parties during the year. Also, we were delighted to have a part in the Christmas program as well as one of the grade assembly programs. Six of our class are beginners in the grade band this year.

Well, folks, the next time you hear from us we hope to be greeting you from the fifth grade.

THIRD GRADE

Coming to school for the third year, forty-one of us were greeted by our new teacher. However, our numbers have been constantly changing; and we now have a total of thirty-five.

Science has been a new subject this year, and we have enjoyed it very much. We have had an introduction to both multiplication and division and have found them very interesting.

We were pleased to take part in the grade music festival at Christmas time. We also had a share in an assembly program, given for the first six grades and their families.

Although we have enjoyed ourselves in the third grade, we are looking forward to becoming fourth graders.

SECOND GRADE

Another school year has passed, leaving many pleasant memories of the times we have spent together.

Although thirty-seven of us, eager for the new adventures as second graders, tripped gayly up the walk last September, only thirty-five are left in our class to finish the year.

Though they were more difficult, we have enjoyed our new studies in spelling, science, and English as well as the usual "Three R's." Besides collecting sales tax stamps for the school's slide and film library, we have been in the Christmas Choir Festival, assembly programs, Junior Red Cross, and the March of Dimes.

We wish everyone a happy vacation and hope to meet them again next autumn, when we shall again resume our studies.

FIRST GRADE

In September of 1950, forty-eight children, including twenty-seven girls and twenty-one boys, came to school for the first time.

We feel that we have made a good start in our education by learning how to draw, count, read, and write. We have enjoyed our music classes under the direction of Mrs. Payne. We were in the Christmas music program and participated in the grade assembly programs.

We closed the year with twenty-three girls and twenty boys, all anxious for a three months' rest before entering the second grade next autumn.

THIRD GRADE

BACK ROW: Jackie Bond, Gerald Buess, Roy Eatherton, James Howard, Jo Ann Orwick, Ann Koehler, Barbara Orwick, Jean Beckman, Eugene Martin, James Roberts, Jeffery Williams, Joe Woodward, Miss McVitty

THIRD ROW: Donna Arnold, Barbara Ankrum, Linda Dunbar, Rosey Kline, Louise Rizor, Jayne Beckman, Janis Shearer, Peggy Musgrave, Karen Snyder, Sara Howard

ACTIVITIES

National Honor Society

On April 19, 1950, four juniors and one senior were accepted into the Hancock County Chapter of the National Honor Society at a formal banquet held at Vanlue. After the program and initiation service the officers for 1951 were elected. They are as follows:

President . . . . . Jerry Staley, Arlington
Vice President . . . . . Jim Morehart, Mt. Blanchard
Secretary and Treasurer . . . . . Mildred Warner, Arlington
Sergeant-of-Arms . . . . . John Rogers, Cory-Rawson
Chaplain . . . . . Eldon Bame, Vanlue

On November 8, 1950, January 24, 1951, and March 14, 1951; the National Honor Society held parties at Van Buren, Arcadia, and Liberty. These were informal occasions to help the students to become better acquainted and to help the juniors to learn what was expected of them for the next year.

The senior members of 1951 are as follows:

Jim Morehart, Colene Smith, Rosemary Trautwein, and Nellie Ward

Four juniors received their official pins at their formal initiation at Arlington, April 18, 1951. They are as follows:

Charlene Loader, Pat Helms, Rachel Himes, and Carol Stauffer
Patsy Hindall

QUALIFICATIONS NECESSARY FOR MEMBERSHIP

Scholarship. A pupil to be eligible must have a point average of three, or an average grade of B throughout high school.

Service. The pupil must have participated in sports, be a member of some school society, do volunteer services around school without expecting a reward for doing so, and participate in scholastic contests and extra-curricular activities in school and community.

Leadership. The pupil should have shown his leadership, by being an officer of his class, a leader in athletics, a member of the band or choir, or a member of a committee.

Character. The pupil's language must be proper. The pupil must have good characteristics such as honesty, truthfulness, courtesy, be a church member and show good sportsmanship.

Membership in the National Honor Society is one of the highest awards that can be received in school, and we hope that every student will work toward that goal.

FOOTBALL

The Mt. Blanchard football team, with twenty-three members present, had its first meeting on August 19. This was the largest squad in three years. Uniforms were passed out by the coach, Mr. Fuchs; and the following Monday they started practice.

On September 8, those who journeyed to the preview saw a good exhibition of football. Mt. Blanchard played a game of two 8-minute halves with a team from Fostoria St. Wendelin. After a scoreless first half, Fostoria scored with a pass play good for 20 yards and a touchdown. They missed the conversion, but won the game, 6 - 0.

September 15 saw Mt. Blanchard traveling to Rawson to start their 1950 season by meeting Cory-Rawson's Green Hornets. This was a hard-fought game, but neither team was able to garner a score. Both teams drove deep into enemy territory, but the defenses of the two teams tightened and prevented scoring.

The following Friday night under the arcs at Van Buren, Mt. Blanchard's spirited unit marched off the field with a 28 - 7 verdict. A sustained 45-yard drive resulted in a score, Gatchell crossing the goal for the touchdown and the point. A few seconds later Gatchell again scored on a line buck, and Koehler scored the point. Van Buren scored after a sustained 80-yard march. In the third quarter Bob Betts went around left end for a counter, and Gatchell made the point. Midway in the final period, Stan England broke through the center of Van Buren's line, blocked a punt, and fell on the ball at the 5-yard line. Gatchell ploughed through the middle for a TD with Koehler getting the point; thus concluded the scoring for the evening.

September 29 was scheduled as the date for our meeting with Arcadia's Redmen for our first home game. The first time the Hurricanes had the ball, they drove to a score. Bob Betts skirted the end for 6 yards and a TD. Gatchell smashed off tackle for the point. We kicked to Arcadia, whose pass on their second down was good for 35 yards and a touchdown. The Blanchard boys rallied and scored twice before the half ended. Bob Betts scooped an Arcadia pass off the grass top and romped 35 yards, untouched, to paydirt. Jr. Price made the third touchdown as he took a 20-yard pass from Gatchell and ran another 5 yards for the TD. Gatchell ploughed through the middle for the extra points.

The third quarter was a scoreless battle with the superiority of the Purple and Gold team showing itself at times. The Hurricanes began to roll again in the fourth period with Dave Gatchell and Frank Koehler figuring largely. They made a drive starting on Blanchard's 30-yard stripe. Gatchell made the TD; and Koehler the extra point. The last two Blanchard points came on a safety. Chunky Dunbar, Blanchard end, broke through and tackled the passer

behind his own goal. The game ended with the score of 30-7, Mt. Blanchard chalking the win.

On October 6, an over-confident Mt. Blanchard team almost fell in the line of defeat at the hands of the Vanlue Wildcats. But they finally pulled out a decision of 14 - 13. With about two minutes of the game under way, Blanchard received a Vanlue punt and took the ball 40 yards on a sustained drive. The score came when Frank Koehler went 20 yards on a quarterback sneak. An end run by Don Elsea made the extra point. In the second quarter, Vanlue tied the score by recovering a Blanchard fumble on the 2-yard line and making a TD and the extra point. With about five seconds remaining in the first half, Gatchell plunged into the line for a touchdown and also for the point. The last half was a scoreless battle until the last three minutes when Vanlue began to march. They went about 50 yards before Blanchard began to fight. Then Blanchard took the ball on their own 20-yard stripe. After a holding penalty, a bad center, and failure to get a punt away set the ball on the 6-yard line with Vanlue in control, three stabs at the line resulted in a Vanlue score. The try for the point was repulsed, and at the end of the game, Blanchard was still in the lead.

After a week's rest without a game, Mt. Blanchard played host to Liberty on October 20. Liberty ventured here without a win and left the same way as the Hurricanes humbled them, 40 - 0. Dave Gatchell romped 35 and 45 yards off his own tackle for the first two Blanchard scores. Elsea scored the first point; but they missed the point after the second TD. Blanchard scored twice in the second quarter with Price catching a pass for one score and Lauck scoring the other. The hometown boys scored again in the third quarter as Elsea went around his own right end for a counter. Early in the fourth quarter, Bob Betts crashed through the middle for the final score of the game. Then the reserves took over and played the rest of the game. This was the first time that many of these boys were given a chance to play. Many of them showed good signs of a strong team in years to come.

Before the game started, there was a preliminary game between the 7th grade eleven and the 8th grade boys. After a hard fought battle the 7th grade pulled out the decision, 19 - 14. These boys had a great deal of fun and profited wonderfully by this game.

After another week without a game the Purple Hurricanes took on the undefeated Red Devils from Arlington. After a scoreless first quarter, Arlington scored twice in the second and Mt. Blanchard was unable to gain. Arlington scored twice in the third quarter and once in the fourth. The final score of the game was 32 - 0. This was the season's first defeat for Mt. Blanchard, the cause of which was mainly poor blocking and tackling.

The following week, the Mt. Blanchard football team of 1950 played its final game, tackling McComb on our field. After

leading at the half 13 - 7, the boys from Blanchard High fell into the hands of defeat, 26 - 13. Early in the fray, McComb scored on an end run, good for 17 yards. A few minutes later, John Beck snared a McComb pass and scooted down the sidelines 65 yards to the 5-yard stripe. From that point Gatchell bucked the ball into the end zone for a TD. Elsea scored the point through the middle to tie the score. Near the end of the second quarter Dick Thompson broke through and blocked an enemy punt, which he fell on at the 20-yard line. With about two minutes remaining in the first half, Gatchell again went about 3 yards for the touchdown. The second half was McComb all the way with that team scoring three times while Mt. Blanchard was unable to score.

This was the final game for John Beck, Bob Betts, Dave Gatchell, Jim Morehart, Jr. Price, and Neil Ward. Stan England, another senior, had been injured in practice and was unable to play against McComb.

The season record of 4 wins, 2 losses, and 1 tie put the Blanchard team in third place in the Little Eight League.

BASKETBALL

The Mt. Blanchard basketball team started practice, November 13, with their first game the following Friday night. The number of games has been increased because of a double round of play in the Little Eight League.

On Friday, November 17, McComb traveled here for the first game in our new gym. Both teams lacked practice, but each played a fair game. McComb won by a small margin of seven points, 36-29.

The following Friday night we journeyed to Mt. Cory for a league encounter with Cory-Rawson. The Green Hornets proved themselves the better team that night as they outscored the Blanchard crew, 56 - 16.

On Friday night, December 1, the Mt. Blanchard basketball team won its first game of the season as they downed Van Buren on the home court, 50 - 41. Gatchell turned in a total of 13 points for the night. He was followed closely by Price with 11. The boys played a very good game, showing more know-how and spirit than in the preceding week.

December 8, Mt. Blanchard trekked to Arlington to meet the Red Devils. After trailing by 30 points at the half, the Blanchard boys held Arlington to 8 points in the last half and scored 30 points themselves. Price was the leading scorer with 15 points; Gatchell and Cole had 12 and 10 points, respectively, for the Mounts. Even after the boys played a grand last quarter, the game went to Arlington by the score of 61 - 53.

During the Christmas vacation the Mt. Blanchard Hurricanes traveled to Pandora for a holiday tournament with Pandora, Continental, and Carey. We played Pandora, the first night, and Carey, the second night, losing both.

The following week we again entered upon league play as we trekked to Arcadia to play the Redmen. After trailing, 16 - 22, at the half, the Blanchard boys were never able to overcome that margin as the score stood 57 - 39 at the final gun. Gatchell was Blanchard's high pointer as he collected a dozen points. He was followed by Price, who had nine.

The next week-end we traveled to McComb to start the second round of play. The hometown boys again lost by a decisive margin of 19 points, 55 - 36. Elsea and Price each contributed 10 points to the losing cause.

On Saturday following, Cory-Rawson journeyed to Mt. Blanchard for a game with the Hurricanes. Blanchard held a short-lived lead at the end of the first quarter, 17 - 13; but inability to make their shots dropped them behind at the half, 26 - 33. The score

at the end of the final period also showed Blanchard in the rear, 71 - 40.

The following week a confident Mt. Blanchard team traveled to Van Buren, only to fall in the line of defeat, 48 - 27. We had beaten Van Buren earlier in the season on our own floor. Gatchell, with 9 points, led the Hurricanes.

We again played on Saturday night as our neighbor, Arlington, invaded for a game which was broadcast over WFIN-FM. A red hot Arlington squad was not to be denied victory, and after two quick goals its boys were never behind. The halftime score stood, 30 - 12. The final score was 54 - 32. Elsea led the Blanchard forces with 13 points, most of these coming on fast breaks.

The following week we played Vanlue on our home court. The Blanchard forces only trailed 2 points at the half as the scoreboard read 19 - 17; but when the gun sounded for the last time, Vanlue was in the victory column with a 45 - 25 win over the Hurricanes. The scoring for Blanchard was rather evenly divided as Cole collected 7 counters; Price, 6; Gatchell, 6; and Dunbar, 5.

After missing two days of school, we returned to battle Wharton in a non-league engagement. The Blanchard team again was defeated, 49 - 39. Cole had 12 for the losers. Substitute guard, Dick Thompson, was second for Blanchard with 10.

On February 6, the Purple Hurricanes journeyed to Liberty. We had previously beaten this team, but this time the tables turned as Liberty won, 42 - 37. Elsea was the chief Blanchard scorer as he collected 16; Koehler and Price each tallied 7.

The following Friday night we played our last league game of the '50 - '51 season as we entertained Arcadia. The boys had great spirit and a will to win, and they came through when they needed it the most. After a flourish of 13 points the first quarter, the Blanchard forces were never stopped as they went on to win, 52 - 39. Elsea again led the scoring for the home team as he meshed 13. Price and Cole followed with 10 and 9 points, respectively.

On Saturday, February 10, the coaches met to draw for the Hancock County tournament. We drew Liberty for our first game, to be played February 15, at 8:45 p.m.

After watching the opening game of the tournament, the Blanchard boys duplicated with a 42 - 33 triumph over Liberty. Price collected a total of 14 points. He was followed by Elsea with 11

On the following Wednesday night we played Cory-Rawson for our second game of this year's tournament. The Blanchard boys lost by a score of 55 - 27. Junior Price was high with 11 points for the Hurricanes.

The Blanchard reserve team had an overall record of 7 wins

and 8 losses. Dick Thompson led the reserves with a yearly total of 120 points. He was followed by Bill Dodds and Leland Hendricks with 91 and 89, respectively. The other two regular reserves, Rodabaugh and Koehler, massed a total of 46 and 71, respectively.

The season record for the Mt. Blanchard varsity was 3 wins, 12 losses in the league competition, and an overall record of 4 wins to 15 losses.

PLAYER'S NAME	TOTAL POINTS	POINT AVERAGE
David Gatchell	112	6.6
Junior Price	114	6.7
Foster Cole	137	8.1
Delbert Dunbar	86	5.4
Don Elsea	120	7.4

THE RECORD

When the game is done and the players creep
One by one to the League of Sleep,
Deep in the night they may not know
The way of the fight, the fate of the foe.
The cheer that passed, and applauding hands,
Are stilled at last--but the Record stands.

The errors made, and the base hits wrought;
Here the race was run! There the fight was fought!
Yet the game is done when the sun sinks low
And one by one from the field they go;
Their day has passed through the Twilight Gates,
But the Scroll is cast--and the Record waits.

So take, my lad, what the Great Game gives,
For all men die--but the Record lives.

VIC SAYS: "Its More Truth Than Poetry."

Kids who ride a bike to
school,
Do crazy things its true,
But you can get--
An even bet,
They think we're crazy too.

As most any High School
girl,
So plans when she is grown,
Rich or poor,
You may be sure,
She plans to own a home.

Take it easy--You might injure a Customer of
